Genoa, Italy

# UNIGE THIRD MISSION

UNIGE's Third Mission activities are aimed at:

- companies
- environment
- society
- territory

# UNI GE THIRD MISSION for Companies

## ***Corporate training***

UniGe offers training courses designed for professionals and companies wishing to further certify and specialize their skills

# UNI GE THIRD MISSION for Companies

## ***Traineeships and jobs***

UniGe offers a wide range of services to companies looking for qualified personnel to join their organization:

- [activate a traineeship](#)
- [offer in internship or a job](#)
- [consult graduates curricula](#)
- [meet candidates and recent graduates](#)
- [attend the Career Days event](#)
- [incentives, facilities and projects](#)

# UNIGE THIRD MISSION for the Environment

UNIGE is very sensitive to issues of environmental sustainability. At the Savona Campus, equipped with smart homes and sustainable means of transport, there are research laboratories that collaborate with leading national and international energy companies.

# UNI GE THIRD MISSION for Society

## ***UniGe for education***

Thanks to a consolidated collaboration with the school world, UniGe organizes:

- courses for [basic and lifelong teachers training](#)
- [academic orientation in schools](#)
- [academic orientation traineeships](#)
- [Open Day and Open Week](#)
- [seminars](#) in high schools
- workshops in primary schools

Moreover, many of the services of the [Progetto Scuola Digitale](#) are dedicated to the schools.

# UNIGE THIRD MISSION for Society

## ***UniGe for healthcare***

Our University offers healthcare activities for the benefit of the community. They are aimed at:

- medical professionals with lifelong or specialization training programs, such as [management training for medical executives](#)
- society, by creating prevention and screening campaigns

# UNI GE THIRD MISSION

## for Society

### ***UniGe for cultural heritage and activities***

UniGe is located in [prestigious buildings](#) of [historical and artistic value](#).

There will be openings to the public and guided tours, particularly during the [Rolli Days](#). The [Botanical Garden](#) in Genova and the [Hanbury Botanical Gardens](#) in Ventimiglia are also open to the public. The museums of [Chemistry](#), [Physics](#), [Biology](#) and the [National Museum of Antarctica](#) refer to the School of Mathematical, Physical and Natural Sciences.

The [EthnoMedicine Museum](#) has a unique collection - and not only in the European museum scene - of more than 2000 objects (instruments, remedies, texts, apparatuses, etc.) from over 100 human groups, related to the different medical traditions of the world. It's home to the UNESCO Chair of Anthropology of Health

# UNI GE THIRD MISSION for Society

## ***UniGe for the Academic Freedom***

UniGe is a member of [Scholars at Risks](#) (SAR), an international network of universities that promotes academic freedom around the world and protects scholars under-life threatened conditions or whose work is severely compromised.

# UNIGE THIRD MISSION for Society

## ***UniGe for the elderly***

[UNIGESenior](#) organizes educational courses by UniGe faculty, with over a thousand elderly students per year. UNIGESenior is not just an opportunity for new interests and intellectual challenges, but also an occasion for meeting and socializing.

# UNI GE THIRD MISSION for Society

## ***UniGe for children***

[Universikids](#) is a project dedicated to children which includes several workshops and seminars throughout the year. UniGe also organizes and actively participates in events aimed at curious young people and their families, such as [Festival del Mare](#) or [Festival della Scienza](#).

# UNI GE THIRD MISSION for Society

## ***UniGe for inmates***

Since 2016 [Polo Universitario Penitenziario](#) (PUP) promotes academic studies and the right to education to inmates, providing not only access to knowledge but also participation in activities essential to the personal development.

# UNIGE THIRD MISSION for Life Long Learning

UNIGE has a wide range of Master's courses, vocational training, corporate training and participates with several courses in the EDUOPEN portal that offers free university-level online courses.

# UNI GE THIRD MISSION for the Territory

## ***UniGe.life***

[UniGe.life](#) is the UniGe magazine: a platform for news, insights, events, research and dissemination. [MensilMente](#) is the UniGe.life newsletter to keep up with UniGe news and events.

# UNI GE THIRD MISSION for the Territory

## ***UniGe radio***

[Campuswave](#), established in March 2010 from an idea of Communication Sciences students [a BA Course of DISFOR], is the UniGe students' radio station that broadcasts from the Savona Campus.

# UNI GE THIRD MISSION for the Territory

## ***UniGe social media***

UniGe is active on various social networks[ [Facebook](#), [Twitter](#), [YouTube](#), [Instagram](#), [Telegram](#) and [LinkedIn](#)] with the aim of promoting, enhancing and sharing knowledge with everyone.
