UniGeSENIOR

What is UniGeSenior?

UniGeSenior is a key program offered by the University of Genoa as part of its lifelong learning initiatives. It's a program of university courses specifically designed and aimed at senior students, those over 45 years old.

It provides a dynamic community for seniors to continue their intellectual and social development through a diverse range of courses, activities, and resources.

Key Features and Services

➔ Diverse Curriculum

UniGeSenior offers a diverse range of courses spanning academia, the arts, languages, technology, and more, catering to a wide array of intellectual interests.

➔ Social Activities

The program organizes various social events, cultural outings, and group excursions, fostering meaningful connections and a vibrant community among its members.

➔ Lectures and Workshops

Members can attend various lectures by renowned experts and participate in interactive workshops to practice new skills and explore novel subjects.

➔ Peer Learning

UniGeSenior encourages peer-to-peer learning, allowing members to share their knowledge and expertise with one another through discussion groups and collaborative projects.

Mission and Goals

- ➔ **Lifelong Learning:** UniGeSenior aims to provide older people with opportunities for continuous intellectual growth and personal development throughout their retirement years.
- ➔ **Fostering Community:** The program seeks to build a vibrant, supportive community where seniors can engage in social activities, share experiences, and forge meaningful connections.
- ➔ **Promoting Wellbeing:** UniGeSenior's courses and resources are designed to enhance the overall physical, mental, and emotional wellbeing of its members.
- ➔ **Empowering Seniors:** The program aims to empower older people to be active participants in society, create interaction and continuous engagement between senior and student communities.

Membership Eligibility

Open to 45+

UniGeSenior welcomes people aged 45 and above to join its community and take advantage of its diverse learning opportunities.

No Prior Qualifications

The program does not require any specific educational background or prior qualifications for enrollment, making it accessible to everyone.

Simple Enrollment

The enrollment process is simple and guided, allowing interested individuals to easily join UniGeSenior and begin their learning journey.

Enrollment Process

1

At home enrollment

By accessing our website, students can enroll conveniently from their homes while exploring all the new initiatives scheduled for the upcoming year.

2

On site enrollment

For those who are not familiar with websites, it is possible to make an appointment at our office to enroll with the assistance of Civil Service volunteers.

3

Delegate someone

For individuals with mobility issues or those living far outside Genoa, there is the possibility to delegate someone to complete the enrollment.

Costs and benefits

➔ UniGeSenior only asks maintenance costs from its students

Basic enrollment

Enrollment only costs 50€ for a first matriculation or 30€ for people who were enrolled in the past. It gives access to main and supplementary courses.

Extra courses enrollment

Participating in tech or language courses, there is an additional fee of 100€ for each in-person course and 70€ for each online course.

Facilities and Resources

UniGeSenior members have access to a wide range of facilities and resources at the University of Genova.

This includes classrooms, libraries, and computer labs to support their learning and research needs.

UniGeSenior collabs with territorial entities such as theatres, museums and association that promote cultural diffusion, offering the students a vast out-of-class experience.

Each year, in collaboration with Foundation Palazzo Ducale, UniGeSenior organize conferences about specific topics, involving great personalities and experts.

Community Engagement

Lectures and Talks

UniGeSenior regularly hosts public lectures and talks led by experts, covering a diverse range of topics to engage the broader community.

Intergenerational Initiatives

The program fosters connections between senior members and younger generations through collaborative projects and participation of Civil Service volunteers.

New and diverse opportunities

UniGeSenior collaborates with local organizations to organize cultural events, social activities, and outreach programs that benefit the wider community.

Benefits of Joining

- ➔ **Intellectual Stimulation:** Engage in thought-provoking courses and discussions that challenge your mind and keep your cognitive abilities sharp.
- ➔ **Social Connections:** Build a vibrant network of like-minded peers, fostering meaningful relationships and a sense of community.
- ➔ **Personal Growth:** Discover new hobbies, develop skills, and explore personal interests to enrich your retirement years.
- ➔ **Healthy Lifestyle:** Participate in activities that promote physical, mental, and emotional wellbeing, supporting a holistic approach to healthy aging.
